

IERBS 2025 Masterclass & Lecture Day 1				
Date: September 12 ,2025 (Friday) 08:40-17:40			Place : CCH International Education and Training Center	
Time	Min	Topic	Speaker	Moderator
08:10-08:40	30	Registration		
08:40-08:50	10	Opening	inviting	
08:50-12:45	235	Minimal invasive/access breast Surgery		
08:50-09:20	30	Traversing the whole spectrum of minimally invasive/minimal access (endoscopic & robotic assisted) mastectomy	Chi Wei Mok	See Mee Hoong
			Changi General Hospital , Singapore	
09:20-10:05	45	Endoscopic & Robotic breast surgery-How I do it step by step with video demonstration	Hung-Wen Lai	Chi Wei Mok
			Changhua Christian Hospital, Taiwan	
10:05-10:35	30	Minimally Invasive Approach for Gynecomastia: Outcome and Satisfaction	See Mee Hoong	Hung-Wen Lai
			University of Malaya, Malaysia	
10:35-11:00	25	Group Photo & Coffee Break		
11:00-11:30	30	Endoscopic assisted breast conserving surgery & axillary surgery- Literature review & video demonstrations	Chayanee Sae-lim	Cha-Chun Chen
			Chulalongkorn University Hospital, Thailand	
11:30-12:00	30	Angiosome of nipple and how to treat its ischemia and reconstruction	Cha-Chun Chen	Chayanee Sae-lim
			Shin Kong Wu Ho-Su Memorial Hospital	
12:00-12:40	40	Satellite symposium	inviting	inviting
			inviting	
12:40-13:00	20	coffee Break		
13:00-17:30	270	Conventional & endoscopic-assisted autologous reconstruction (abdominal and latissimus dorsi) & LICAP flap		
13:00-13:40	40	Abdominal wall & flap: TRAM flap, DIEP, minimal access approach	Jung-Ju Huang	Celene Ng
			Chang Gung Memorial Hospital, Taiwan	
13:40-14:25	35	Back and peripheral flap- Latissimus Dorsi flap,& Laparoscopic assisted, post operative Bra	Chieh-Huei Huang	inviting
			National Taiwan University Hospital, Taiwan	
14:25-14:55	30	Chest wall perforator flaps-bridging the gap for breast reconstruction	Celene Ng	inviting
			National University Hospital, Singapore	
14:55-15:25	30	Port-a-cath & Vacuum assisted breast biopsy (VABB): What you should know in Cancer treatment & How I do it	Hsin-Shun Tseng	inviting
			Changhua Christian Hospital, Taiwan	
15:25-15:40	15	Coffee Break		
15:40-16:10	30	Implant based breast reconstruction- How I do it	Chin-Jung Feng	inviting
			Taipei Veterans General Hospital	
16:10-16:40	30	Oncoplastic Breast Surgery& Laparoscopic harvest of omental flap-How I do it step by step with video	Hisamitsu Zaha	inviting
			Nakagami hospital,Japan	
16:40-17:00	20	Cryoablation for breast cancer: How I do it	Hung-Wen Lai	inviting
			Changhua Christian Hospital, Taiwan	
17:00-17:20	20	Robotic mastectomy - How I do it	Fiona Tsui-Fen Cheng	inviting
			Shin Kong Wu Ho-Su Memorial Hospital	
17:20-17:40	20	Discussion & Closing of Day 1		
18:00-20:00	120	Gala Dinner-(Forte Hotel 2F,Yi-Yun restaurant All participants)		
Preliminary Agenda				
Organizer				
IERBS.org	Minimally Invasive Research Center at Changhua Christian Hospital Kaohsiung Cancer Treatment and Information Society Master of ceremonies: Su Jun			

IERBS 2025 Cadaveric workshop Day 2				
Date: September 13 ,2025 (Saturday) 08:10-17:00			Place : Ircad Taiwan	
Time	Min	Topic & Live Demo (3F/1F-Main Screen A)	Speaker	
08:00-08:10	10	Registration		
08:10-08:20	10	Opening Briefing & Group photo	Hung-Wen Lai	Main Auditorium, 1st floor
08:30-10:30	120	Cadaveric workshop -Nipple sparing mastectomy (Endoscopic or Robotic assisted) & Implant-based breast reconstruction		
08:30-09:30	60	Instruments and Surgical technique of Endoscopic assisted Nipple sparing mastectomy-step by step	Chi Wei Mok	Course A: 3rd floor cadaver hand on section Course B: Live demo & Pre-recorded videos Course C: Video connection
09:30-10:10	40	Prothesis selection and subpectoral versus prepectoral breast reconstruction-Live demo step by step	Chin-Jung Feng	Course B&C Video connection
10:10-10:30	20	Nipple areolar complex(NAC) reconstruction-How I do it	Cheng-Kang Peng	Course B&C Video connection
10:30-10:40	10	Coffee Break		
10:40-12:30	110	Cadaveric workshop -Abdomen flap, laparoscopic harvest of omentum flap & NAC		
10:40-11:20	40	Abdominal wall & Abdominal flap: Anatomy, surgery-Live demo step by step (conventional, laparoscopic or Robotic)	Jung-Ju Huang	Course B&C Video connection
11:20-12:00	40	Laparoscopic harvest of omental flap-step by step	Hisamitsu Zaha	Course B&C Video connection
12:00-12:30	30	Port-A & VABB -Live demo step by step	Hsin-Shun Tseng	Course B&C Video connection
12:30-13:30	60	Lunch & Coffee Break		
13:30-15:50	140	Cadaveric workshop- LD flap (conventional or endoscopic assisted) & LICAP flap, lipofilling		
13:30-14:30	35	Back and peripheral flap- Latissimus Dorsi flap,& Laparoscopic assisted, post operative Bra	Chieh-Huei Huang	Course B&C Video connection
14:30-15:00	30	Chest wall perforator flaps-bridging the gap for breast reconstruction	Celene Ng	Course B&C Video connection
15:00-15:30	30	Cryoablation for breast cancer: How I do it	Hung-Wen Lai	Course B&C Video connection
15:30-16:00	30	Individualized surgery and learning	Faculty & Course A	Debriefing of Surgery
16:00-16:20	20	Suture repair of Cadaver & cleansing of cadaver lab	Faculty & Course A	Debriefing of Surgery
16:20-16:30	10	Group photo (Course A + Faculty- Cadaver lab) & Coffee Break		
16:30-16:50	20	Discussion & Questions from participants	All Faculty	Main Auditorium, 1st floor All participants (Course A+B)
16:50-17:00	10	Closing & photos (Course A + B)		
Preliminary Agenda				
Organizer				
IERBS.org	Minimally Invasive Research Center at Changhua Christian Hospital Kaohsiung Cancer Treatment and Information Society Master of ceremonies: Hung-Wen Lai, Su Jun			

IERBS 2025 Symposium-Hybrid Live & Virtual Day 3					
Date: September 14 ,2025 (Sunday) 08:40-16:25			Place : CCH International Education and Training Center		
Time	Min	Topic	Speaker	Moderator	
08:10-08:40	30	Registration			
08:40-08:50	10	Opening	inviting		
08:50-10:50	120	Plastic & Reconstructive Surgery: Master Series			
08:50-09:20	30	Application of robotic surgical platform in plastic and reconstructive breast surgeries	Jesse C. Selber	inviting	
			Corewell Health East, USA		
09:20-09:50	30	Endoscopic breast augmentation and reconstruction- How I do it	Chih-Wei Wu	inviting	
			Elysee Aesthetics Medical center, Taiwan		
09:50-10:30	40	Keynote speech- Microsurgical Breast Reconstruction and Lymphedema Microsurgery	Ming-Huei Cheng	inviting	
			A+ Surgery Clinic, Taiwan		
10:30-11:00	30	How do I manage complications after implant based breast reconstructions- Experience sharing	Visnu Lohsiriwat	inviting	
			Siriraj Hospital,Thailand		
11:00-11:20	20	Coffee Break			
11:20-13:20	125	Advances in Non-surgical Ablation & Axillary management for breast cancer			
11:20-11:50	30	Non-surgical local ablation for breast cancer	Eisuke Fukuma	inviting	
			Kameda Medical Center, Japan		
11:50-12:25	35	Axillary surgery for patients with breast cancer- Advances and surgical management in minimally invasive era	Haiyan Li	inviting	
			The 6th Affiliated Hospital of Sun-Yat Sen University		
12:25-12:30	5	Discussion-panel	All speakers & moderators		
12:30-13:00	30	Video sharing sections with various endoscopic or robotic breast surgeries	Su Jun & Nurnurl	inviting	
13:00-13:20	20	Coffee Break			
13:20-15:10	110	Robotic assisted breast surgeries- Fantastic 4 Forum			
13:20-13:40	35	Robotic Mastectomy, patient satisfaction and breast cancer follow up data	Antonio Toesca	inviting	
			Candiolo Cancer Center, Italy		
13:40-14:00	20	Robotic mastectomy in France	Benjamin Sarfati	inviting	
			Gustave Roussy Hospital, France		
14:00-14:20	20	Robotic breast surgery using the SP system	Hyung-Seok Park	inviting	
			Severance Hospital, South Korea		
14:20-14:40	20	Multicenter Prospective Trial of Robotic versus Conventional or Endoscopic NSM & IPBR for women with early breast cancer (RCNSM-P)	Hung-Wen Lai	inviting	
			Changhua Christian Hospital, Taiwan		
14:40-15:00	20	Panel discussion	All speakers & moderators		
15:00-15:10	10	Coffee Break			
15:10-16:30	80	Advances in Endoscopic assisted Breast Surgeries			
15:10-15:40	30	Reverse-order endoscopic NSM through single axillary approach followed by implant based breast reconstruction	Zheng-Gui Du	inviting	
			West China Hospital, China		
15:40-16:10	30	Minimal Access of NSM with immediate prothetic breast reconstruction and BCS	Zi-Han Wang	inviting	
			Peking University People's Hospital, China		
16:10-16:20	10	Panel discussion	All speakers & moderators		
16:20-16:25	5	Closing
